NAIL AND HAMMER

ABOUT US & SERVICES

Welcome to Nail and Hammer, the leading interior design company based in Delhi, India. With 8 years of experience, our team of expert designers are dedicated to providing exceptional design solutions for our clients across India.

At Nail and Hammer, we specialize in clinic interior designing for modern clinics and healthcare spaces. From reception to consultation rooms and procedure areas, we design clinics that are functional, hygienic and patient-friendly.

01 INTERIOR DESIGN & EXECUTION

Our Services start from the initial conceptual phase all the way to execution and consultancy.

02 FURNITURE PRODUCTION

We provide custom made furniture using the finest materials that are carefully manufactured with high quality.

03 EXTERIOR DESIGN & LANDSCAPE

We offer artistic compositions to emphasize on outdoor areas design, achieving environmental and aesthetic outcomes.

04 INTERIOR STYLING

We curate refined interior aesthetics for clinics — selecting textures, colours, furniture, and decor that create a cohesive and calming environment for patients and staff.
